

CHILD FIND HAS MANY FACES

If you suspect an infant, child, or young adult of having a developmental delay or disability, your school district can open a window of hope for a brighter future. Services at no cost to the family are available to all eligible individuals from birth through 21 years of age regardless of the severity of their disability. Special Services are available to eligible infants, children and young adults identified with a disability who may be experiencing difficulties in one or more of the following areas:

- Physical Disability
- Deaf or Hard of Hearing
- Visual Impairment
- Deaf-Blind
- Intellectual Disabilities
- Emotional Disturbance
- Learning Disability
- Speech and/or Language
- Autism
- Health Impairment
- Traumatic Brain Injury

At 3 months, a child typically:

- Follows objects with eyes
- Responds to loud sounds
- Smiles
- Makes cooing sounds

At 6 months, a child typically:

- Knows familiar faces
- Plays with toes
- Babbles
- Sits with support

At 12 months, a child typically:

- Pulls to standing position
- Crawls to hands and knees
- Places toys in a container
- Says one or two words

At 18 months, a child typically:

- Pulls off shoes and socks
- Stacks blocks
- Turns the pages of a book
- Walks without help
- Follows simple directions

At 2 years, a child typically:

- Says sentences
- Recognizes pictures
- Plays alone
- Runs
- Identifies parts of a face

At 3 years, a child typically:

- Rides a tricycle
- Opens doors
- Is toilet trained
- Hops on one foot
- Plays with other children

For more information contact the special education program at your local school district.

THE FIRST STEP IN HELPING CHILDREN WITH SPECIAL NEEDS IS TO FIND THEM!
